No sir. We did not see any rv's, campers, or junking vehicles. The area is both single family homes and apartment complex's but the area is very clean.

Another question and I should have asked earlier, are there any campers, RVs, junk collection trucks, etc. in the area? We've received a number of complaints about those kinds of vehicles - and the associated trash and collection of bulky and other objects - parked in the neighborhood.

Thanks.

Good afternoon Brian,

Matthew and I went out to assess the conditions of Van Ness. The area had one BI spot (sofa), which I am currently coordinating with the district yard to have collected. No encampment(s) or blight present.

Regards,

Hi,

Can we please assess the conditions on Van Ness, north of Beverly, just west of Wilton, and walking distance to Larchmont Blvd.

Thanks.

Brian
